### MOOCs at your own pace!

Did you know that OpenupEd has many MOOCs which you can start at any time? Not only in English, but also in Hebrew, Dutch, Spanish, Russian, Italian, French, Irish, Arabic and Turkish! Just browse the database via the filter on the upper left corner to find the MOOC you like.

Some examples:

- [Using Body Language Effectively](#) (Turkish)
- [Programming](#) (English, French, Italian, Arabic)
- [CV Writing](#) (Turkish)
- [Quality Management](#) (Italian)
- [Gaelic in Modern Scotland](#) (Irish)
- [CBVE – Master Class on Entrepreneurship](#) (English, Spanish, Italian)
- [Theory of Law](#) (Spanish)

### Support Centres for Open education and MOOCs

The SCORE2020 project focused on (regional) support structures in the development and delivery of Open Education and especially of MOOCs. In total, thirteen intellectual outputs are available on the [SCORE2020 website](#). We would like to draw your attention in particular to the deliverables on [MOOC quality](#) and [business models](#).

### Becoming partner of OpenupEd

OpenupEd invites universities to join partnership of Higher Education Institutions having the [OpenupEd label](#)

within three years after becoming OpenupEd partner, by using the open licensed quality instrument for MOOCs.

Become OpenupEd partner and be part of the quality in MOOCs community: [more information](#)

### Envisioning report for Empowering Universities

The first Envisioning report for Empowering Universities has been published by the expert pools of the **EMPOWER programme** of EADTU to cover the latest trends and developments in new modes of teaching and learning. The publication includes articles from a great variety of subjects, such as policy and strategy, learning design and assessment for learning. In addition, we would like to point out some interesting articles like *'Business models for OER and MOOCs beyond monetary incentives'* and *'Designing MOOC: a shared view on didactical principles'*
